

MARIUSZ ZAKRZEWSKI

EIT, LEED® AP, ASSOCIATE

Mariusz Zakrzewski joined Altieri in 2002. Since then, he has distinguished himself as a formidable project manager with particular expertise in thorough field investigation.

Mariusz served as Prime Consultant on numerous large infrastructure projects at the American Museum of Natural History covering 1.6 million square feet. His role in the management of sub-consultants, including architects, structural engineers, landscape designers, and building department consultants, as well as his thorough field investigation, and construction administration skills were key factors in the successful completion and commissioning of these projects.
