

Mariusz Zakrzewski, LEED AP

Associate

Project Manager / Electrical Engineer

Mariusz Zakrzewski joined Altieri in 2002. Since then, he has distinguished himself as a formidable electrical systems designer and project manager with particular expertise in thorough field investigation.

Mariusz served as Prime Consultant on numerous large infrastructure projects at the American Museum of Natural History covering 1.6 million square feet. His role in the management of sub-consultants, including architects, structural engineers, landscape designers, and building department consultants, as well as his thorough field investigation, and construction administration skills were key factors in the successful completion and commissioning of these projects.

Mariusz' considerable collaboration and team coordination skills have also been key factors in Altieri's success with projects at Cornell University including the Law School Academic Center and College of Veterinary Medicine, as well as other significant higher education projects such as the New England Conservatory of Music Student Life and Performance Center and the Lewis International Law Center at Harvard Law School.

Education

University of Connecticut, 2002
Bachelor of Science
Electrical Engineering
