

## Robert M. Louth, P.E., RCDD® Associate Principal

Rob Louth joined Altieri in 2006. He leads Altieri's Information Transport Systems (ITS) initiatives.

In addition to being a licensed electrical engineer, Rob is a BICSI®-certified Registered Communications Distribution Designer (RCDD®). He has extensive experience in the design and implementation of ITS and Electrical systems for a broad range of facilities including K-12 schools, college and university buildings, and large-scale campus programs such as The National WWII Museum in New Orleans. Rob's expertise includes all phases of lighting, power, low voltage, and audio visual (AV) systems in addition to ITS.

### Education

The Pennsylvania State University, 2003  
Bachelor of Science  
Electrical Engineering

### Registrations

Professional Engineer-Electrical  
Connecticut

### Professional Affiliations

BICSI®
